

Junior Ikley Harriers Club Colours

We recognise the achievements of Junior Ikley Harriers who regularly train and represent the club at races by presenting Colours and Half Colours. Embroidered cloth badges (see examples below) are presented for commitment and performance at an annual junior presentation evening in March. A certificate is presented for Half Colours.

An rough idea of the main races/leagues that we use as a 'performance' guide are given below but it is not comprehensive and other races will be included.

A good attitude and general commitment to training sessions is also very important.

Cross-Country - U11, U13, U15, U17 and Junior Women & Men

We use a points system so that all levels of competition are recognised. PECO league = 1 point; West Yorkshire League = 2 points; Championship events = 3 points (selection into county team +2 points). Colours are awarded for over 10 points and Half Colours for over 7 points (point cut-off may vary slightly each year). A minimum of 5 races must be run.

Fell Running - U11, U13, U15, U17 and U19

We use races in the Junior Ikley Harriers Fell League and the Bradford Athletics Network (BAN) Fell & Terrain League. General participation in other FRA and BOFRA championship races will also be included. A minimum of 5 races must be run.

Sportshall Athletics - U11, U13 and U15

We use attendance and selection into the Regional West or North Yorkshire teams. Attend trials and are selected you will gain your Colours and these will be presented at the annual awards evening. Attend trials but are not selected you will gain your Half Colours and they will be presented at the final SHA session of the spring term.

Track & Field Athletics - U11, U13, U15, U17 and U20

We use competing at local club 'open' events shown on the JIH web site each season - in particular the York Summer League. A minimum of 5 meets must be attended.
