Prizes: T-shirts to the 16 juniors who have done 4 or more of the races and engraved plates to the first 3 in each age category providing they have done at least 3 events.												
Rather than present these awards at the 2011 Soreen Fell race I will give engraved plates and T-shirts to club representatives early in the New Year so that they can be presented at a club night and next year's league can be promoted.												
*Bunnies: U14 & U16 only with best time counting. This event was only included if the individual had already done a league event in 2010.
